JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

F., this morning, and 100° F., when I saw him. He had never been vaccinated, but at my suggestion Dr. Matchan vaccinated him to-day.

The patient is isolated and in the morning will be removed to a specially prepared house, set apart for such cases.

Respectfully,

F. R. SMYTH,
Acting Assistant Surgeon, U. S. M. H. S.
